HAZMAT CLEAN-UP COMPANIES

NOTE: The selection of a contractor is at the discretion of the Spiller. If a responder takes it upon himself to make a contact without the prior approval of the Spiller or Ohio EPA, the responder may ultimately be financially responsible for all cleanup costs.

The following list of Hazardous Materials Clean-up Contractors was acquired from the website of Ohio EPA at the following web address on October 13, 2014.

<http://www.epa.ohio.gov/Portals/30/ersis/er/docs/contractors2014aug.pdf>

It is not a certification, approval, or endorsement of any company or their qualifications by Ohio EPA or Guernsey County, Guernsey County LEPC, EMA or any responder operating within Guernsey County. It is being provided to the responsible party simply as a listing of available contractors.

Contractors may be added to this list by sending a brochure of your services to Ohio EOA/ER, P.O. Box 1049 Columbus, OH 43216 or call 614-644-3194 to be added to this list of Spill Contractors.

Ohio EPA also maintains a map showing the location of listed Spill Contractors at <https://mapsengine.google.com/map/viewer?mid=z7tABbeXAPMY.kQPb561rnwQ0>
